## Un'azienda familiare con la passione per l'Eccellenza, la Qualità e l'Innovazione.

La ditta BIONDAN SpA è stata fondata nel 1956, dalla piccola officina nel garage sotto casa, a più di 56.000 mq di attività produttiva. Una storia che continua da oltre 50 anni e che ha portato la BIONDAN ad essere oggi un'importante realtà nel settore funerario con filiali e concessionari in Europa e nel mondo. Le sfide che la BIONDAN ha saputo cogliere e superare nel tempo, ne hanno messo in evidenza il carattere dinamico e la capacità di assecondare ed anticipare il mercato, senza dimenticare il patrimonio artistico che caratterizza la sua produzione. Con BIONDAN l'arte del bronzo si è fatta impresa moderna, capace di pensare in modo universale esprimendo nelle proprie opere sentimenti che appartengono a tutti. La BIONDAN è sinonimo di design italiano in tutto il mondo, ogni singolo pezzo viene progettato e realizzato interamente in Italia.

Alla BIONDAN tutto è Made in Italy. La cura del particolare, la versatilità delle proposte, la varietà delle finiture, manifestano la serietà di una azienda che da sempre opera ai massimi livelli di professionalità.

## Fusioni su richiesta del Committente

L'abilità di unire perfezione formale ed emozione è un talento che pochi artisti sanno trasformare in arte. Questo catalogo presenta una vasta selezione di statue in bronzo fuse a cera persa e statue Kosmolux™. Potrete scegliere tra le opere che abbiamo già realizzato, ma anche richiedere un nuovo lavoro personalizzato. BIONDAN può produrre su richiesta qualsiasi tipo di fusione. Grazie alla collaborazione di un team di sapienti artisti, BIONDAN può creare una "Opera Unica" realizzabile in Bronzo, Kosmolux™ e Fibra di Bronzo.

## Special Castings

Few are able to transfer talent into art and have that special ability to blend formal perfection with emotional control. In this catalog you will find a wide selection of lost wax Bronze and Kosmolux™ statuary. You may choose a statue that we have made before or ask us to make a custom feature. BIONDAN can make upon request any personalized statue or feature. With a highly skilled team of artists BIONDAN has the ability to create a "Unique Work of Art" in a variety of materials including Bronze, Kosmolux™ and Fiber Bronze.

## **A VOI LA BELLEZZA DEL MARMO, A NOI L'ABILITÀ PER CREARLA.**

**Il fascino e lo splendore del famoso marmo apuano di Carrara emergono dalle opere d'arte nate dalla creatività dei nostri abili artisti scultori. Realizzate in marmo ricostituito ottenuto da una preziosa miscela di polvere del vero e cristallino marmo bianco di Carrara con uno speciale legante, le nostre creazioni sono modellate con cura artigianale e con una tecnologia tale da garantirne qualità e durata. Stili e varietà si alternano nell'ampia offerta che possiamo presentare e lasciano spazio al gusto e al desiderio di chi vuole arredare in modo personale ed originale i propri spazi all'aperto o al chiuso.**

## **THE BEAUTY OF THE MARBLE, OUR ABILITY TO CREATE IT.**

The fascination and brightness of the famous Apuan Carrara marble emerge in the works of art born of the creativity of our capable sculptor-artists. Made in reconstituted marble, obtained from a precious powder mixture of true and crystalline white Carrara marble, with a special binder, our achievements are modeled with care and technology, which guarantee quality and durability. Styles and varieties are alternated through a wide ranging offer, which we can introduce to you, which also leaves room for the taste and desires of those who want to furnish their outdoor and indoor spaces in a personal and original manner.

I colori raffigurati sono approssimativi:

- Preventivi, bozzetti e chiarimenti verranno eseguiti senza alcun impegno.
- La vetratura viene fornita completa di supporto in ferro verniciato nero (L 15 x 15) pronta da inserire nel telaio finestra.

Per l'ordinazione è necessario, oltre alle dimensioni, anche il disegno.

Le vetrature sagomate verranno misurate nella maggiore altezza.

- I formati raffigurati in catalogo sono solo indicativi.
- PER VETRATURA A TELAIO FINESTRA CHIEDERE PREVENTIVO.

NB: Le vetrature con superficie inferiori al mq. vengono conteggiate 1 mq.

### ARTISTIC STAINED GLASS WINDOWS

Hand painted artistic glass windows, stained using dyes that can be vitrified by baking at high temperatures. The decorated panels are joined by heavy lead and joints are welded using tin. The panel is then coated with special mastic to make the whole rigid and watertight.

The colors depicted are approximate:

- Estimates, sketches and clarifications are given to our clientele with no obligation.
- The stained glass window is supplied complete with black steel support frame ready to be inserted into the window frame.

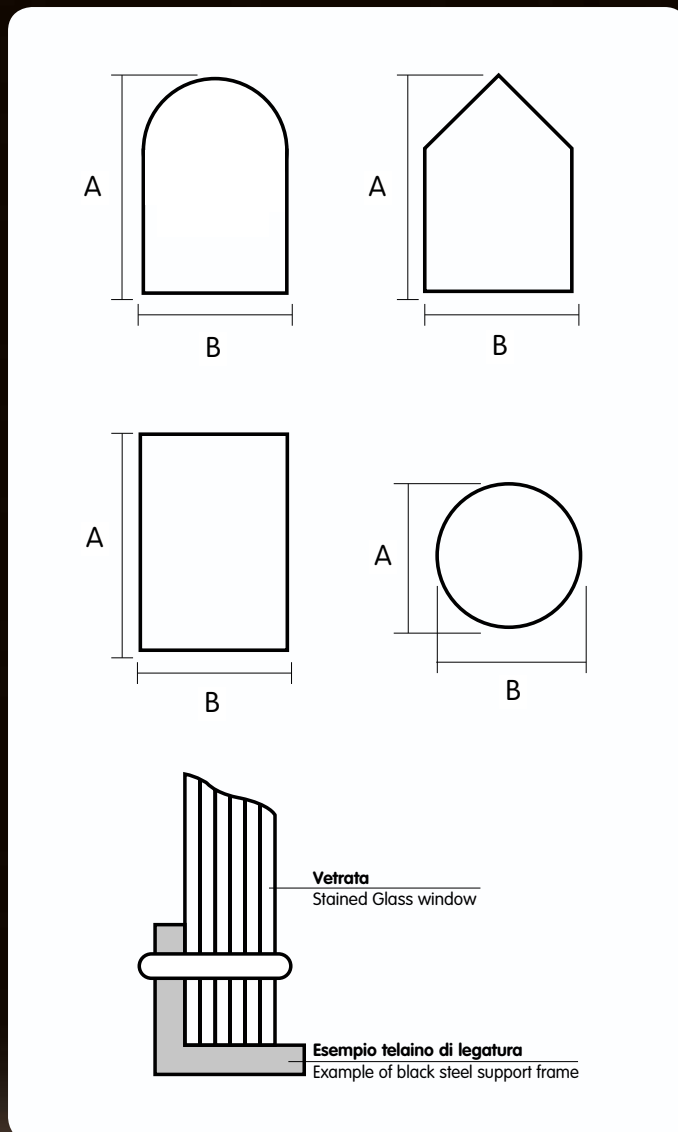

Orders must be accompanied by the design of the window as well as its dimensions.

Profiled glass windows are measured along their longest sides.

- The formats illustrated in the catalogue are indicative only.
- ASK FOR QUOTATIONS FOR GLASS WINDOWS AND WINDOW FRAMES.

NB: Stained glass windows having a smaller area than 1 square meter (10.7639

square feet) shall be considered as 1 square meter. A part-payment of 50% of the total cost is required when ordering the stained glass window.

Il costo della vetratura viene rilevato calcolando le misure di ingombro (vedi esempio)  $A \times B = \text{mq}$ .

The cost of the stained glass window is calculated by measuring the A x B overall dimensions in square meters (see examples)

### 2. DELIVERY DATES

a) All shipments are made within thirty days from order receipt. b) The delivery date is purely approximate and not binding. It is not therefore an essential condition of the contract. c) The delivery date is determined by working days starting from definition of all the various aspects of the order and as long as all agreed payments have been made. d) Such delivery date shall be considered as adequately extended by right in the event of occurrences beyond the control of the seller. Under no circumstances shall the buyer be entitled to request damages or else as a result of delayed delivery.

### 3. DELIVERY CONDITIONS

Prices shall always be for goods delivered ex our warehouse. Goods always travel at the buyer's risk, including those sold free destination, and any delays, breakages, tampering with and loss of goods shall under no circumstances entitle the buyer to damages.

### 4. TECHNICAL DETAILS

The illustrations, measurements and all data shown in catalogues shall be considered approximate and notified by the seller by way of information only, without any responsibility on the part of the seller. The seller reserves the right to make changes without prior notice.

### 5. PAYMENT

Unless otherwise agreed, payment shall be made COD. All mailing and packaging costs and cheque reimbursement expenses, etc. are at the buyer's account. For any orders relating to special articles not shown in the catalogue, a 50% advance payment shall be required, unless otherwise requested by the seller. All other payments shall be made to the supplier's address as agreed. Despite agreements being made for payment by authorized drafts, bills of exchange or bank cheques, payment must always be made to the supplier's address. In the event of any delay in payment, commercial interest shall immediately be charged at a rate of 3 percentage points above the official bank rate.

### 6. COMPLAINTS AND CLAIMS

Any complaints must reach the supplier within 8 days from receipt of goods by the buyer. Claims made as a result of breakages or failure to comply with the delivery note must be made to the carrier upon receipt of goods. Complaints shall not exempt the buyer from the obligation of accepting other goods ordered and ready for delivery, nor shall they entitle him to reduce or suspend payments to be made to the supplier's address.

### 7. RETURNED GOODS

Returned goods cannot be accepted without the prior written agreement of the supplier. In any event, the supplier reserves the right to debit the customer with all costs related to inspection, storage and repair of the returned material.

### 8. WARRANTY

The supplier guarantees the good quality and manufacture of the goods. The supplier undertakes to only replace goods with production or quality faults. Under no circumstances shall the supplier be obliged to indemnify other or greater damages. Any faulty items shall be replaced following approval of the supplier. Delivery shall be made ex our works and additional costs are excluded.

### 9. DISPUTES

Any disputes shall fall within the jurisdiction of the Court of Verona, without exception for any reasons related to special circumstances or contentious jurisdiction.
